

# Cedefop new acquisitions – October 2009

The following titles have recently been added to Cedefop's bibliographic database and are available either at our library or are accessible electronically. Publications are listed in alphabetical order by title. Publications in the European Legislation section are listed in chronological order. Is also planned a special section that houses the documents of particular interest.

All records are part of Cedefop's bibliographic database [VET-Bib](#). VET Bib is a result of a collaborative effort between Cedefop's library and ReferNet - the European network of reference and expertise. All descriptors are part of [ETT](#) -European Training Thesaurus.
